My Weather Chart

Look at the sky each morning, then color or mark the box that matches!

Week of: _____ My name: _____

Weather	Monday	Tuesday	Wednesda	Thursday	Friday	Saturday	Sunday
 **Sunny**							
 **Cloudy**							
 **Rainy**							
 **Windy**							
 **Snowy**							

How to use your chart:

1. Each morning, look out the window together. Is the sun out? Are there clouds? Is it raining?
2. Feel the air too: is it warm, cool, or cold? Is the wind moving the trees?
3. Color or mark today's box in the matching row. At the end of the week, count which weather won!
