Sheet 3 — Color-by-Rhyme

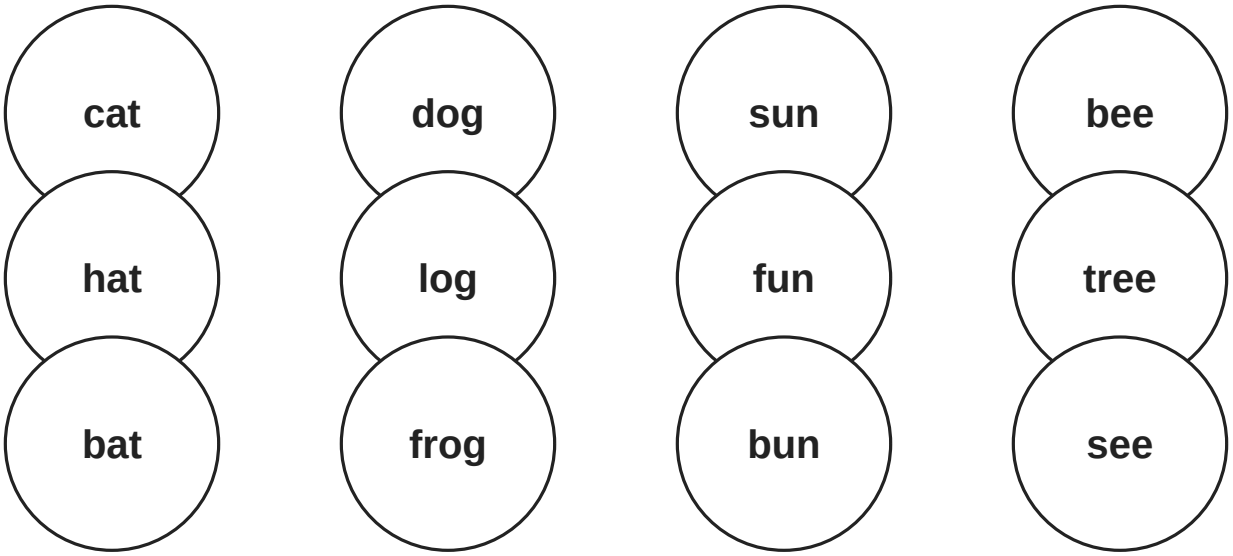

Rhyming Words Worksheet Pack • Ages 4–5

Parent: words that rhyme share the same colour. Pick a colour for each rhyme family, then colour every word in that family with it.

Colour key — one colour per rhyme family:

☐	**cat • hat • bat**	the -at family
☐	**dog • log • frog**	the -og family
☐	**sun • fun • bun**	the -un family
☐	**bee • tree • see**	the -ee family

Now colour each word below with its family colour:

A purple cat and a purple hat are a perfect answer — as long as the rhymes match!
